The FUJIFILM Instax Instant Camera ("Product") contained in this package is warranted to the original end user purchaser by, depending on your jurisdiction of purchase, FUJIFILM North America Corporation or FUJIFILM Canada Inc. (located at 600 Suffolk Court, Mississauga, Ontario L5R 4G4) (in either case, "FUJIFILM") only against defects in workmanship and materials for one (1) full year from the date of purchase ("Warranty Period") from an authorized FUJIFILM dealer in the U.S.A. or Canada, as applicable.

### **Warranty Claim Procedure**

For consumers subject to the Quebec *Consumer Protection Act*, R.S.Q. c. P-40.1 (the "QCPA"), the following statement does not limit the legal warranties provided for under the QCPA. FUJIFILM will, at its option, repair and/or replace (with a unit of like condition which may be refurbished), a defective Product that is returned, postpaid and insured, by the original end user purchaser, within the Warranty Period to an authorized FUJIFILM Repair Center. If replacement parts are used in making repairs, these parts may be remanufactured or contain remanufactured materials. In returning the Product for repair, the Product must be delivered in either a cardboard shipping box or in another carton offering a sufficient degree of protection. Do not include any other items or Accessories (as defined below) with the Product. It is advisable to return the Product using a courier service which provides a shipping tracking number. The Product must be accompanied by written evidence of the date of purchase, such as the original dated sales receipt. FUJIFILM will not be responsible for any loss or damage incurred in transit or otherwise in connection with the return of the Product, nor will FUJIFILM be responsible for the return of any items that are included with the Product.
